Participate: 2010 Sisters In Spirit Vigils

October 4th is a day where we honour the lives of missing and murdered Aboriginal women and girls. The violence experienced by Aboriginal women and girls in Canada is a national tragedy. We must take the time to give thanks to the families who have inspired the SIS movement and who are the reason we all continue to demand action.

Dear **Sisters In Spirit** supporters,

Summer is here and that can only mean one thing, October 4th is right around the corner ☺

2009 was our biggest year yet and we are very pleased to say that Sisters In Spirit vigils are truly a movement for social change. An impressive 72 vigils were held nationwide! More importantly, we are so touched that thousands of Canadians joined together from coast-to-coast-to-coast to honour missing and murdered Aboriginal women and girls.

We expect this year to be just as busy and we are ready ☺

Attached is the 2010 Sisters In Spirit Registration Form which can also be found at www.nwac.ca/programs/sis-vigils.

New Fact Sheets are being created for you to print-out and distribute on October 4th. Our older toolkits are being redesigned and repackaged into a larger Community Resource Guide and will be available on-line for printing as well later in the summer. Our hope is that each community will be able to print their own documents this year.

We will also be offering SIS buttons and SIS handheld flags this year for every vigil that registers.

For those of you looking for SIS merchandise, we unfortunately could not afford to buy items in bulk this year. We can make our Sisters In Spirit and Brothers In Spirit logos available to you electronically for your own printing use. Please ask for permission when you fill-in your registration form.

Please do not hesitate to write or call us if you have any questions about hosting a SIS vigil this year.

We need your support! Every vigil means more and more people know about the issue!

In peace and friendship,
