

NATIVE WOMEN'S
ASSOCIATION OF CANADA
L'ASSOCIATION DES FEMMES
AUTOCHTONES DU CANADA

*“It begins and ends with you,
with individuals. We can change.
We have the will, the power, and
the spirit. We can leave here with
new hope and a new vision of
wellness for all people. We dare
to look at a different future,
a different kind of relationship.
We can make every place sacred
on this Turtle Island.”*
